Wakin in the dawn of day
I can think about what I want to say
phone ringing off the shelf
I guess he wanted to kill himself
Wakin on a pretty day
Don't know why I ever go away
Its' hard to explain
My love in these days.
You can say I've been most all around
But I'm going nowhere
Don't worry bout a thing
It's only buying
I live along a straight line
Nothing always comes to mine
To be frank, I'm fried
But I don't mind,
(3 x)
Yeah yeah
Yeah yeah
yeah yeah yeah

I'm diggin laying low low low
Been diggin ...
...
Rising at the crack of dawn
I can't think about what wisecrack I'm going to drop
along the way today
Phone ringing off the shelf
I guess somebody really wanna prove us today
Wakin on a pretty day
For any place
now you stand up to explain it
My.today.
(3 x)
Yeah yeah
Yeah yeah
yeah yeah yeah
