Just when I thought I had nothing  
Nothing good to give  
You appeared, won my heart  
And showed me I must die to live

Take my pride  
Please remove these selfish thoughts  
Save me from the world  
I wanna be addicted to love  
I wanna be addicted to love

A line of white is all my body really needs  
The spirit sold for the pain to ease  
But I know that this road  
It isn't going to bring me peace

Give me something new for my soul to use  
Something beautiful for my heart to abuse  
The drugs are never enough

I wanna be addicted to love  
I wanna be addicted to love  
I wanna be addicted

Why are we so loveless?  
I'm worried, please hurry  
And why are we so loveless?  
I'm worried, please take me home

I wanna be addicted to love  
I wanna be addicted to love  
(I want to be)  
I wanna be addicted to love  
(I want to be)

I wanna be addicted to love  
(I want to be)  
I wanna be addicted to love  
(I want to be)

I wanna be addicted to love  
(I want to be)

I wanna be addicted to love  
(I want to be)

I wanna be addicted to love  
(I want to be)  
I wanna be addicted to love  
(I want to be)

I want to be addicted to love  
(Oh, oh, oh)
