

Wye Oak "Doubt"

Visit "[Doubt](#)" on MotoLyrics.com

If you should doubt
My heart
Remember this
That I would lie to you
If I believed it was
Right to do

If you should think
Instead
I would forget
All the lives I save
Were not meant for me
And meant for you

That would be the test
I could not forgive
Only that
To doubt the only way
That what was true before
Is true today

What I have learned
Of you
Does not assure
You bow before my will
But I believed it then
Believe it still

Oh, I believed it then
Believed in still
