Say no to me  
And I will love you more  
Play me for keeps  
Under garage doors  
Up past inside  
Beside the river flows  
Up for a drink  
More than the tiny toast

They think it's right  
But they don't think like me  
What I concede  
It is a victory  
It's not ideals  
Ideas never last  
I've seen my face  
I want to break in half

Since we fell  
I am an empty well  
I want for nothing  
You want

And still you say  
There is another way  
I want for nothing  
I want for nothing  
I want for nothing  
I want for nothing

It's not a bruise  
It is a spider bite  
I wasn't forced  
To stay awake at night  
And he was tired  
He knows not what he needs  
I cry for you  
But not as you for me

Since we fell  
I am an empty well

I want for nothing  
You want

And still you say  
There is another way  
I want for nothing  
I want for nothing  
I want for nothing  
I want for nothing
