In life's troubles, sorrows, pain  
Earnestly I seek Thee  
Fill my soul with peaks again  
Earnestly I seek Thee

None but You and You alone  
Take my life, make it Your own  
In my offering, build Your home  
Earnestly I seek Thee

In life's triumphs, victories  
Earnestly I seek Thee  
In the shadow of the Almighty  
Earnestly I seek Thee

None but You and You alone  
Take my life, make it Your own  
In my offering, build Your home  
Earnestly I seek Thee

I sing to You because You're good  
And Your love is better than life  
I will live to bring You praise  
I will bless you away

Who am I that You would care?  
Earnestly I seek Thee  
All my days, my nights, You're there  
Earnestly I seek Thee

None but You and You alone  
Take my life, make it Your own  
In my offering, build Your home  
Earnestly I seek Thee  
Earnestly I seek Thee

None but You and You alone  
Take my life, make it Your own  
In my offering, build Your home  
Earnestly I seek Thee
