Let Your water rise 'til we're drowning here in You
Capsize us in the tide of Your grace
So let Your spirit soar like a banner over us
Please, God of love, do come into this place

And draw us close, closer than before
There's nothing else we want more

Just to see Your face
And to feel Your breath
Wrap us with Your love and mercy
Come, fill us, we're so thirsty

For Your touch
God, we need You so much
Let Your glory fall like rain
'Til we're washed, washed away
Jesus, I'm washed away

So let Your music play, we wanna dance with You
There's nothing like Your charm over us
So we, Your children, sing, we join the melody
And with all of heathen, we cry out

You are holy, Lord God Almighty
We are desperate, we are so hungry

Just to see Your face
And to feel Your breath
Wrap us with Your love and mercy
Come, fill us, we're so thirsty

For Your touch
God, we need You so much
Let Your glory fall like rain
'Til we're washed, washed away

Holy, Lord God Almighty
You were, You are and You are to come
Holy, Lord God Almighty
You were, You are, now You've come

Just to see Your face
And to feel Your breath
Wrap us with Your love and mercy
Come, fill us, we're so thirsty

For Your touch
God, we need You so much
Let Your glory fall like rain
'Til we're washed, washed away
Jesus, I'm washed away

I'm washed away
I'm washed away
