see the ride is pulling  
and the piece pack up  
only empty if you fly a dime  
saw a cutie on my right catching everybody's eye  
man nobody is going home tonight  
she said she's P-A-R-T-Y  
took a shot of patrol left her worries on the side  
and she is down for whatever everything and clever  
then a track started to play  
she started singing like  
ooo she started singing like ooooo  
everybody raise your cups in the sky  
take another hit or â€¦  
screaming like ooooo  
she is drinking all her problems  
got a way like alcoholic  
ain't no way she is going to remember tonight  
shawty show me how you do it  
hold your drink before you lose it  
and its dropping by the end of tonight  
she says she P-A-R-T-Y  
took another shot now she is tripping other guys  
now she's down for whatever ain't no way she's gone  
be clever  
then a track started to play  
she started singing like  
ooo she started singing like ooooo  
everybody get your cups in the sky  
take another hit or â€¦  
screaming like ooooo  
p-a-r-t-y wild  
and she got her twin on the side like fries  
her eyes are glowing her mind is blowing  
and they better look this good in the morning  
call me mike .. we are gonna make .. of the floor  
don't take off your shoes i am gonna bite if you ,,,  
if i catch your man .. i could be that pussy ..  
put your worries in the pot .. make magic someone to  
tragic  
everybody get your cups in the sky  
take another hit or â€¦  
screaming like ooooo

everybody get your cups in the sky  
take another hit or â€¦  
screaming like ooooo  
this is my song
