Verse 1

You been pickin my voice to dance to
You say my money no good in here
Even though I didn't ask you
And it's the most you've worked
Even though I probably don't deserve this girl
But you been dreaming for this moment so you have to
Baby, it's OK
I got show money baby
I wanna show you how I blow money baby
I wanna show you how I throw money baby
I'm a kid, so it's hard for me to hold money, baby
Cause I'm a star, don't get it twisted
Got some choppers on the car
What kind of caps I got the finest of them all
Somebody pop em before we pop em all
before we pop em all

Hook

Saying this ain't nothing, but it's all I need
And the peak ain't reached but the peek is all I feel
And it feels so good
It feels so good x4

I ain't scared of the fall x4
I've felt the ground before x4
cus i aint scared of the fall

Verse 2

Mama I understand why you're mad
And it hurts to accept what I am
And how I live
And what I do
But I've been good since Thursday
Yes I've been good since Thursday

So you can watch my love vanish
Where we goin ,No telling
But to make room, I'll vanish
Call a friend for my friend
And her friend's name's Lexis
I let my nigga's test it

her morals were distant
Best believe already spent it
My girl full of PC
My cup full of Texas
Flowing on that OVO, yeah yeah I said it
I'm supposed to be wreckless
I'm supposed to make records
So you ain't gotta ask "who's next?"

Saying this ain't nothing, but it's all I need
And the peak ain't reached but the peek is all I feel
And it feels so good
It feels so good x4

I ain't scared of the fall x4
I've felt the ground before x4
cus i aint scared of the fall
