

The Weeknd "Trust Issues Remix"

Visit "[Trust Issues Remix](#)" on MotoLyrics.com

All she cares about is money and the city where she's
from
Her intention is on paper
She don't need no f-cking love
She's spillin' all this liquor tryna pass me all these cups
Well baby girl I'm zonin' somebody should have told
her

I popped one
F-ck it I popped one
Oh girl I'm on one
F-ck it I popped one
I popped one

Girl I'm lying, I'm on a few
Don't you worry this aint new
Can we take this to your spot, I'm on eviction number 2
Cause I popped one

F-ck it I popped one
Oooh yeah, Oooh yeah, Oooh yeah, Oooh yeah

Trust issues

Oooh yeah, Oooh yeah, Oooh yeah, Oooh yeah, oooh

Do you know whats going on over here (I do, I do, I do)
Have you even bothered to look? (I did, I did, I did)
Well if you know, than let me know
We don't have to keep runnin' in these circles (in these
circles)
No more

Trust issues
Trust issues
Trust issues
Trust issues
Trust issues

Trust issues, no more
Trust issues, no more
Trust issues, no more
