Iâ€™ll never tell, no one can see
I pay no mind, to what they think
I count the days, youâ€™ve been asleep
I pay no mind, to what they think
If I donâ€™t tell a soul then, who else shouldnâ€™t
mind?
And may be gone, my love, to the grave

But I got a secret
(Got a secret)
Everybodyâ€™s got a secret
something good should come from all the rain

Eww got caught in thought
Went to their heads, went to their feet
At second glance
Iâ€™m fixing a friend with friendly speech
I pay no mind, to what they think

If I donâ€™t tell a soul then, who else shouldnâ€™t
mind?
And may be gone, my love, to the grave

But I got a secret
(Got a secret)
Everybodyâ€™s got a secret!
something good should come from all the rain.

Somebody believe in me
Somebody believe in me
Somebody believe in me
Somebody believe in me

If I donâ€™t tell a soul then, who else shouldnâ€™t
mind?
And may be gone, my love, to the grave

But I got a secret (Got a secret)
Everybodyâ€™s got a secret
Something good should come from all the rain
