Motherf*cker let's jump tonight
You can take a taxi
I can ride a bike
Bazooka tube on my shoulder
It's getting colder
I need to hold her

Stop! Everybody just freeze
And kiss the sky and touch your knees
The radio is killing America
Can you feel the hysteria?

Motherf*cker are you listening to me?
Motherf*cker are you moving to the beat?
Motherf*cker time to take it to the streets
Motherf*cker play it on the radio
Motherf*cker I will see you at the show
Motherf*cker time to take it to the streets

When I run through the world
With my d*ck in hand
When I punch you in the face
With the bass and a plan
You will never be quite the same
Cause it's AWOL!
You can sing my name

You were upside down
You were backside up
With the windows down
When the lightening struck
The great depression of the airwaves
So kill the suit and the DJ!

Motherf*cker are you listening to me?
Motherf*cker are you moving to the beat?
Motherf*cker time to take it to the streets
Motherf*cker play it on the radio
Motherf*cker I will see you at the show
Motherf*cker time to take it to the streets
