(Darnell)

Shut it down the boy just shut it down
When the square is mad at me
When my circle comes around
Got a team full of winners
There aint no losers over here
Where im from they bought the bar , How they do it
over there?
i got my whole team stuntin, whole team buzzin
They be like go wild everyday get money
Drive fast cars hit the gas pipes
Take your girl real fast , im livin the fast life
.....the boy just popped enough tags
Dudes wanna hate, but i tell 'em its just swag
After the party, i be stuntin so legit
Swag my watch into your wifey
Now she rollin in the whip
Yeah i told her im the sh*t.

Then i grab her for the night
and When its over she gon split
