Somebody dreaming you dream if you can...
of prophets and wishes maybe your turnin' round
cause I'd like to solve now my vast mysteries
Bring back the world or my heavenly seas 'n seas

My desperation is perfectly sound
Bring back my widow maybe I'll run around
Retell the man could you quietly fade
Turn all the angels quietly shake

Turn back the days of my youth again
Bring back the ways tossed by time
Show me the ways of my witches and rip out the winds
that are blowing the seas of my mind

Silhouettes and rebels are far far away n' though that I
fall is all that I'm gonna state
Hey other man could you turn in my eyes
Look for all the dreams that have passed long inside

Turn back the days of my youth again
Bring back the ways tossed by time
Show me the ways of my witches and rip out the winds
that are blowing the seas
N' I said rip out the winds that are blowing the seas of
my mind

N' How all you loath just waiting this more n' I love
chasing shadows
N' I drift away
How you all just die another day
How I love chasing shadows
N' I drift away

Don't let me drift away
Don't let me drift away
Don't let me drift away
