When the morning come come

I'm dancing like you're dumb dumb

And when the groove is high

when dummies jump to sky

if you feel the groove groove

the dummies have to move move

can you feel the beat the beat the beat

You never tell me what is wrong

'cause now it's time to be alone

let me love you everyday

so long you let the dummies play

dance to the beat dance dance to the beat (2)

Dam dadi doo dam dam didoodidam (4)

Dance dance to the beat

They tell me let's come home home

The party going on on

We only have to dance

Do dummies fall the trance

If you feel the groove groove

The dummies have to move move

Can you feel the beat the beat the beat

You never tell me what is wrong

'cause now it's time to be alone

Let me love you everyday

So long you let the dummies play

Dance to the beat dance dance to the beat (2)
