Somebody's running after you  
There are times I do the same  
But I cannot stand the way you live  
I can't simply follow sweet

My mind is drowned in a sea of thoughts, my heart is  
bleeding  
My mind is black I need no more, please sister release  
me

And I always love what others hate, but I never give up  
faith  
Out in their world I feel insane, at her eyes I'm dying to  
stare  
And I always love what others hate, but I never give up  
faith  
Give me a hug please do it now, sister never, never,  
never, never let me down

How much I adored your inviting eyes  
How much I hated to see you cry  
Your love I wanted once not now  
Feeling strange enough you cannot understand
