[Down, dddddddd down, da da da down, down,
dddddddd, da da da down, dddddddd down, da da
da down, down, dddddddd]

As you well know we met a few days ago
But you say eve like you know me for so long
You're ready to say we should live together along
Cause I'm the best friend you have been looking for

Just give me more time
I know you don't lie
I gotta be sure
I wanna be yours
There's only one thing
That I need to hear
Please don't let me down, dum, da da da.

Down down da da dum
Da da dum
Don't let me
Down down da da dum
Da da dum
Don't let me
Down down da da dum
Da da dum
Don't let me
Down down da da dum
Da da dum

[Down, dddddddd down, da da da down, down,
dddddddd, da da da down, dddddddd down, da da
da down, down, dddddddd]x2

I really like the way when say my name
And I can't stand here dear I'll pick your new way/ring

I fell in love with you from the very start
But I don't want to make a distinctive sign

Just give me more time
I know you don't lie
I gotta be sure

I wanna be yours
There's only one thing
That I need to hear
Please don't let me down, dum, da da da.

Down down da da dum
Da da dum
Don't let me
Down down da da dum
Da da dum
Don't let me
Down down da da dum
Da da dum
Don't let me
Down down da da dum
Da da dum
Down down da da dum
Da da dum
Don't let me
Down down da da dum
Da da dum
Don't let me
Down down da da dum
Da da dum
Don't let me
Down down da da dum
Da da dum
