I cannot see you
But I feel you here with me
And I am not scared
Cuz I know you're always here

You're next to me
Watching me sleep
I'm never alone
Make me believe
Just stay by my side
By day and by night
And never let me o

You're what I'm dreamin of
And baby now I know
You're an angel from above
You're what I'm dreamin of (what I'm dreamin of)

(And all I dream and all I dream)
You're what I'm dreamin of
(And all I dream and all I dream)
You're all I'm dreamin of

Oh oh oh oh oh oh oh
All I'm dreamin of

Bring me to the lord above
There is something I feel
As and an angel is next to me
Watches over all I do
There's a way to restore
And I am never alone

When I come he is around
Picks me up when I am down
Put your arms around me
(Put your arms around me)

You're what I'm dreamin of
And baby now I know
You're an angel from above
You're what I'm dreamin of (what I'm dreamin of)

You're what I'm dreamin of
And baby now I know
You're an angel from above
You're what I'm dreamin of (what I'm dreamin of)

(And all I dream and all I dream)
You're what I'm dreamin of (of of of)
(And all I dream and all I dream)
You're all I'm dreamin of (of of of)
What I'm dreamin of
