Tell me how much love do I have to give?  
If we're gonna make this last forever.  
Baby in this world in which we live.  
We must try and make things come together.

And day by day, don't you know.  
I ain't ever gonna let you go.  
Reaching high we'll raise our hands to Heaven.  
By my side, it's you and me.  
I want all the world to see.  
Who'd never thought our love was meant to be.

I'm flying high on the wings of love.  
Who'd ever thought that this could be?  
The times we had in love are never enough.  
Cause you mean more than words to me.

I'm flying high on the wings of love.  
Who'd ever thought that this could be?  
The times we had in love are never enough.  
Cause you mean more than words to me.

Now I'm flying high upon the wings of love.  
Baby won't you come with me?  
Won't you come with me?  
Just take my hand, we'll make it stand.  
The music moves me and sets me free.  
The music sets me free.  
And now that we've found love lets reach up high.  
Together we'll touch the sky.  
Touch the sky.

I'm flying high on the wings of love.  
Who'd ever thought that this could be?  
The times we had in love are never enough.  
Cause you mean more than words to me.

I'm flying high on the wings of love.  
Who'd ever thought that this could be?  
The times we had in love are never enough.  
Cause you mean more than words to me.
