I never thought I would fall so easy,
I never thought you would make me feel this way.
Now I wonder if you'll be with me,
Let me know 'cause I dream of you..

If you believe, we could fly away,
to a place, just you and me.
My heart hold to, we will fade away,
Baby, wait and see..

I promise to love you forever,
I'll leave you never,
Your love is inside me,
It shines so bright!
Love you forever,
We'll be together,
So have some faith in me..

I promise to love you forever,
I'll leave you never,
Your love is inside me,
It shines so bright!
Love you forever,
We'll be together,
So have some faith in me..

Now you're here and it's all so easy,
One look at you and you take my breath away.

Count on me and I'll always be there.
I won't let go and I'm here with you.
If you believe, we could fly away,
to a place, just you and me.
My heart hold to, we will fade away,
Baby, wait and see..

I promise to love you forever,
I'll leave you never,
Your love is inside me,
It shines so bright!
Love you forever,
We'll be together,

So have some faith in me..

I promise to love you forever,
I'll leave you never,
Your love is inside me,
It shines so bright!
Love you forever,
We'll be together,
So have some faith in me..

I promise to love you forever,
I'll leave you never,
Your love is inside me,
It shines so bright!
Love you forever,
We'll be together,
So have some faith in me..
