I'm all alone in bed
And I can't sleep
I'm feelin blue
I try to close my eyes
But all I think about is you
Baby only you
I cry my eyes out baby
Wondering what I have to do
I look inside my heart
And know for sure this love is true

Day by day
Hunt you high
I hope that we will ever be together
Will it be
Me and you
I dream that our love will last forever
Hold me tight
In your arms
I know we have the strength to stay together
Work with me
Hand in hand
I promise to be there forever
Forever

I'm all alone in bed
And I can't sleep
I'm feelin blue
I try to close my eyes
But all I think about is you
Baby only you

Day by day
Hunt you high
I hope that we will ever be together
Will it be
Me and you
I dream that our love will last forever

Hold me tight
In your arms
I know we have the strength to stay together

Work with me
Hand in hand
I promise to be there forever
Forever
Forever
Forever
Forever
Forever
