I know you love me
I know you'll lead me up to heaven
We'll go together hand in hand to the Promised Land
The Promised Land

The first day I met you
I knew that I loved you
And I know
I wanna share my life with you

I wanna lay by your side
Enjoy a special night
With all we'll spread our wing and fly away

I know you love me
I know you'll lead me up to heaven
We'll go together hand in hand to the Promised Land
I know you love me
I know you'll lead me up to heaven
We'll go together hand in hand to the Promised Land
The Promised Land

I've waited so long for this day
I hope you hold me and stay
Coz I know
I wanna share my life with you

I have so much love to give
You make me feel that I live
With all we'll spread our wing and fly away

I know you love me
I know you'll lead me up to heaven
We'll go together hand in hand to the Promised Land
I know you love me
I know you'll lead me up to heaven
We'll go together hand in hand to the Promised Land
The Promised Land

The Promised Land

I know you love me

I know you'll lead me up to heaven
We'll go together hand in hand to the Promised Land
I know you love me
I know you'll lead me up to heaven
We'll go together hand in hand to the Promised Land
The Promised Land
