Come on and take me (take me)
Take me (take me)
Take me as I am
Come on and take me (take me)
Take me (take me)
Take me as I am

Don't try to change me
Don't rearrange me
To show everybody you can
Don't try to use me
Or to abuse me
Let me be the one that I am

You always tell me I should change
The way I act, you think it's strange
When you want this dream to last
You should try to forget my past
I am what I am this is me you see
Don't change a thing about me

(X2)

Come on and take me
Come on and take me

Come on and take me (take me)
Take me (take me)
Take me as I am
Come on and take me (take me)
Take me (take me)
Take me as I am

Don't try to change me
Don't rearrange me
To show everybody you can
Don't try to use me
Or to abuse me
Let me be the one that I am

Come on and take me (take me)
Take me (take me)

Take me as I am
Come on and take me (take me)
Take me (take me)
Take me as I am

Don't try to change me
Don't rearrange me
To show everybody you can
Don't try to use me
Or to abuse me
Let me be the one that I am

Come on and take me
