Give me the beat with a big bass drum

Wonderland
Get on a trip with me tonight
Follow me to the other side
Dancin together hand in hand
Takin a trip to Wonderland
There is a place for you and me
Like in your wildest fantasy
Come with me and take my hand
Enjoy a trip to wonderland

Give me the beat with a big bass drum

Wonderland
Get on a trip with me tonight
Follow me to the other side
Dancin together hand in hand
Takin a trip to Wonderland
There is a place for you and me
Like in your wildest fantasy
Come with me and take my hand
Enjoy a trip to wonderland

Take a trip, to Wonderland
Follow me, to Wonderland
Take a trip, to Wonderland
Follow me, to Wonderland

A trip to Wonderland
