Will my heart survive
I know you are the onlyone
The love all my life oh beibe
Will my heart survive
I know you are the onlyone
Keep this love alive

Camon!

I am lonely
Alone again
Is this really does the moment
When it ends
I fall in agony
Of broken dream
Waiting at now i can know
All who we see
I know for sure
My dreams come true
And to see
What we can do

Oh will my heart survive
I know you are the only one
The love all my life oh baby
Will my heart survive
I love this feeling but
Youre are gone keep this love alive

Its not easy
Just one more try
Is this really does the moment
That close to fly
I am sorry (sorry)
Just take your time (sorry)
All you never find bigger love and mine
Oh please come home
Dont break my heart
I miss the storm
Dont tear apart

Oh will my heart survive

I know you are the only one
The love all my life oh baby
Will my heart survive
My love is here but you are gone
Keep this love alive

Camon!

Will my heart survive
I know you are the only one
The love all my life oh baby
Will my heart survive
I know you are the only one
The love all my life oh baby
Will my heart survive
