"Beat And The Pulse"

Visit "[Beat And The Pulse](#)" on MotoLyrics.com

All the anger's lost
Freed from the beat and the pulse
Laughing like a fool
Playing for the heart and the soul
And the soul

Capture something red
Paste it to the edge of your bed
Someone will be there
Someone who will know what it says
What it says

Feel it break
Feel it break
Nothing's lost, keep going
Feel it break

Elevate your fingers
Motion makes it hard to write
The stewards are pacing
The girls are making me feel right
Feel right

Feel it break
Feel it break
Nothing's lost, keep going
Feel it break
