Centuries,  
I respect them, please,  
Come on!  
I know now,  
Â But it isn't easy.  
And I transform, into energy.  
With your mouth, ooh (x3)  
Let them fly(?),  
Movement overflows,  
Come on!  
I know now,  
But it isn't easy.  
And I transform, into energy.  
With your mouth, Â ooh (x3)  
Let them fly...  
The rest is like a cup of tea.  
And I transform, into energy.  
With your mouth, ooh (x3)  
Energy, oh (x4)  
I transform, into energy... (x4)  
(With your mouth)  
I know now,  
But it isn't easy.  
And I transform, into energy.  
With your mouth, ooh (x4)
