You know that it eats me when you don't come home
at night
My body can't rest unless you're sleeping by my
side
You know that it eats me when you stay away one night
What is it that keeps you there?
Keeping you occupied from my heart
My heart
Somehow

You know that it eats me when you don't come home
at night
You'll see that it's better than beyond the ... side
You know that it eats me when you can't see straight at
night
... will keep you there, keeping you glorified in my
heart
My heart
My heart
Hope, hope, hope
You know that it eats me when
You know that it eats me when
You don't, you don't, you don't

You know that it eats me when you don't come home
at night
My body can't rest unless you're sitting by my side
You know that it eats me when you stay away one night
What is it that keeps you there?
Keeping you occupied from my heart
