Silence  
Silence speaks for you  
Silence speaks for you  
And diamonds  
Diamonds shine like you  
Diamonds shine like you  
Stop that  
Stop it  
Stop that  
Stop and let it thunder  
Silence  
Silence speaks for you  
Silence speaks for you  
Well I want your blood  
I want it in my hair  
I want your blood  
I want it in my hair  
Shoot the water  
Shoot the water  
Shoot the water baby i've been found  
Shoot the water  
Shoot the water  
Shoot the water baby i've been found  
Shame  
Shame is your name  
Shame is your name  
And desperate  
Desperate things can measure it  
Desperate things can measure it  
Silence speaks for  
Silence speaks for  
Silence speaks for you  
But I want your blood  
I want it in my hair  
I want your blood  
I want it in my hair  
Shoot the water  
Shoot the water  
Shoot the water baby i've been found  
Shoot the water  
Shoot the water  
Shoot the water baby i've been found

I've been found  
I've been found
