Hey!
Hold off tight [x2]

Athenians
On a forest army afloat
Cecrop's city
The final call
Pompous
Grandiose
Savvy
Gross enforce
The principle of massive law
The oracle
Death bless claw
Horrid
Bass deep and strong
To end on a wooden wall

Ambassador [x3]
Of mass
Ambassador [x3]
Of mass

Hordes of restless
Strength so endless
Rage unleashed
Delirious beast [x2]

Coming from the lands of east
Down
The Aegean sea
Marching
Moral sky high
Ignoring
Death's high tide
Invading
Heavily en masse
To kill
To burn
And crush
Generous

But brave enough not to face the athenian wrath

Ambassador [x3]

Of mass

Ambassador [x3]

Of mass

Hordes of restless

Strength so endless

Rage unleashed

Delirious beast

Hordes of restless

Strength so endless

Athenians embrace

This land of holy grace

Athenians embrace

This land of holy grace [x2]

This land of holy grace [x4]
