Sick boys don't fly  
they fresh to death  
My shoes brand new so you watch my step  
My hoodie hot too with the ?  
So you ain't gotta know where my paper at  
Pop ? cause I'm filthy  
Apes can bathe me  
My home is the ? but I shine like crazy  
My hat ? up and it hang off slightly  
My gang ? so you niggas can bite me  
Nike like me cause my life is great  
I'm married to the game we should consummate  
Brand new hoodies the color of light sabers  
My name made ? But that dude date ?  
? fly ass speakers  
bump them speakers  
Pump this groove until your ears start bleeding  
White girls shake it til the black dudes notice  
Black girls shake it so you can regain focus  
Work it out  
work it out  
work it out  
work it out  
work it out  
work it out  
work it out  
work it out  
watch out  
lets get one thing straight  
I'm no average rapper  
Born in SoCal then I hit Atlanta  
Then to New York on the ?  
And I learned new things all across the map  
In Cali I was small taught me to be strong  
In Atlanta had a heart so I learned how to ball  
New York had stars so the new york knicks  
So when they came around I had my first round pick  
And now I'm so sick that they call me ?  
Sick girls all on my pole like totum  
Life is a gamble your boy done told 'em  
Lay your cards right like it's Texas Hold'em  
Bounced in ? go ahead bank it

I can do it better even though I'm so ?  
Georgia's on my mind but I live in New York  
So I got a Southern drawl and I limp when I walk  
they used to say a nigga lame when I started to rap  
Now the facebook niggas asking me for a track  
Poking me on facebook tryin to be my friend  
Nigga you get ? again  
I'm a genius its why they call my shit gmail man  
This is my space nigga you can't make top 10  
hahaha yeah  
yo this how we do this  
now work it out  
work it out  
work it out  
work it out  
work it out  
work it out  
work it out
