[Featuring: Danielle Haim of Haim]

[Hook: Danielle Haim]

We are so far away from here

[Childish Gambino]

Tell them "Run it back", this song is my shit

Told that DJ, "Turn it up", all we did was bowflex

It's that Stone Mountain, DeKalb county

Fuck boy no shit about it

Still real, no shit, cash gun, money clip

285 to 400 then I made a left

Man we spend it up in Lenox, boy we fresh to death

They be sleeping when I left, now they heard of me

We get paid to keep y'all hyped, that's that turnip green

New kicks, street ball, black top, asphalt

Tight dress, her ass fall, get face like bath salts

Airport atheist, though may pray when there's

turbulence

So why the fuck am I stressin' over this nervous shit?

[Hook: Danielle Haim]

We are so far away from here

We are so far away from here

[Childish Gambino]

Burn burn burn

My new car, my new clothes

Now that I'm on top, are you proud of me?

Burn burn burn

My new car, my new clothes

Now that I'm on top, are you proud of me?

All I really wanted was a left turn

Never thought it'd go and leave a nigga burned

Now that I'm on top, are you proud of me, proud of me?

All I really wanted was a left turn

Never thought it'd go and leave a nigga burned

Now that I'm on top, are you proud of me, proud of me?

Are you proud of me?

Are you proud of me?

I should have known
