I'm falling free in the wind, in the wind
Free to be me in the wind, in the wind

What would it feel like to be speeding light
And move the night and day
Watch as it passes by you as the masses try you
But they just can't keep up
Into the free, into the me
Into the ever knowing
Felt so refrained, felt so constrained
But now I'm breaking out and free

I'm falling free in the wind, in the wind
Free to be me in the wind, in the wind

Beg, borrow, steal, you've made your deal
And with no hesitation
Crawl, walk, or run, you've had your fun
Of which is very certain
Into the free, into the me
Into the ever knowing
Felt so constrained, felt so to blame
But now I'm breaking out and free

I'm falling into the free, to the free
Free to be me I am free, I am free

I'm falling free in the wind, in the wind
Free to be me in the wind, in the wind

What would it take for you to make
A simple speed transition
Into the known from the unknown
And feed this wild temptation
Into the free, been starving me
Into the ever knowing
Felt so constrained, felt so ashamed
But now I'm breaking out and free

I'm living in, in the free, in the free
Free to be me, I am free, I am free

I'm falling free in the wind, in the wind
Free to be me in the wind, in the wind
I'm falling free in the wind, in the wind
Free to be me in the wind, in the wind
