Music!
Well I stayed up all last night
Thinking about the
record
world
And about life
I'm dreaming of what
Love could bring
That happiness
It soothes our feelings
Let's stay up late
And hold our hearts
On a cool night
Lost in love
Holding hands in the moonlight
Whispering thoughts
Whisper

Dreams of love
In my dreams of love
My dreams of

Don't give up
Hope
Don't give up
Plans
Search for everything
That you can
If you stop
And think for a moment
Things will come to you

In your mind
Let's stay up late
And hold our hearts
On a cool night
Lost in love
Holding hands in the moonlight
Whispering thoughts
Whisper

Dreams of love

My dreams of love
In my dreams of love
My dreams of love
My dreams of

It's a beautiful feeling
When you're loved
In so many ways
But I know that
Deep in my heart
That I am making a
Brand new
Start
With these dreams of love

In my dreams of love
My dreams
Of love
My dreams of love
My dreams of

Love
