[Verse 1: Mike]

You got me goin' thru my blackberry, deletin' every
number or message from any girl that
Isn't you
You got me callin' my momma tellin' her about ya tellin'
her that I think I might have it
Hard for you
Lately my boys tell me that they confused
They say what's got into you, oh-oooh
There's no me, they just ain't used to
But everything is changed now, now they feel the same
Whatcha doin', doin' doin', d-doin' to me

[Chorus: (Mike)]

Got me feelin' light headed, unsteady
Felling woozy breathing heavy
Don't know what you do to me
(Can't concentrate, feel kinda weak)
(This has gotten out of control, can't fight it no, oh)

I'm feelin' dizzy dizzy, d-dizzy dizzy
You better catch me cause I'm fallin' in love witchu
You got me dizzy dizzy, d-dizzy dizzy
I hope you catch me cause I'm falin' in love with you
Baby I'm trippin' trippin', I'm slippin' slippin'
You got my world spinnin' spinnin', girl I'm falling for
you
I'm feeling dizzy dizzy, d-dizzy dizzy
You better catch me cause I'm fallin in love witchu

[Verse 2: Robert]

You got me ignorin' calls from other broads
Tryna give me their all, cause not with theirs
All I want is you
Now when I see their pretty face or beautiful shape
I look the other way cause they ain't messin' with you
And everybody tell me that they confused
They say what's got into you, oh-oooh
There's no me, they just ain't used to
But everything is changed now, now they think the
same

Whatcha doin, doin, doin, d-doin to me

[Chorus: (Robert)]

Got me feelin' light headed, unsteady
Felling woozy breathing heavy
Don't know what you do to me
(Can't concentrate, feel kinda weak)
(This has gotten out of control, can't fight it no, oh)

I'm feelin' dizzy dizzy, d-dizzy dizzy (dizzy)
You better catch me cause I'm fallin' in love witchu
(whoa)
You got me dizzy dizzy, d-dizzy dizzy
I hope you catch me cause I'm falin' in love with you
(Fallin)
Baby I'm trippin' trippin', I'm slippin' slippin' (trippin'
trippin' slippin' slippin')
You got my world spinnin' spinnin', girl I'm falling for
you (spinnin' spinnin')
I'm feeling dizzy dizzy, d-dizzy dizzy
You better catch me cause I'm fallin in love witchu

[Bridge: Will & Brian]

If there's a cure for it, I don't want it
No I don't need it, no
And ohh baby I'm sure of it
I won't play with it, girl I'm lovin' it, oh oh
You got my heart no lie
Girl don't you ever stop
Make no mistakes, I hope you know
This has gotten out of control, Can't fight it, no

[Chorus: (Brian)]

Got me feelin' light headed, unsteady (Dizzy)
Felling woozy breathing heavy
Don't know what you do to me

I'm feelin' dizzy dizzy, d-dizzy dizzy
You better catch me cause I'm fallin' in love witchu
(fallin')
You got me dizzy dizzy, d-dizzy dizzy
I hope you catch me cause I'm falin' in love with you
Baby I'm trippin' trippin', I'm slippin' slippin'
You got my world spinnin' spinnin', girl I'm falling for
you
I'm feeling dizzy dizzy, d-dizzy dizzy
You better catch me cause I'm fallin in love witchu

[Chorus:]

Got me feelin' light headed, unsteady
Felling woozy breathing heavy

Don't know what you do to me

I'm feelin' dizzy dizzy, d-dizzy dizzy
You better catch me cause I'm fallin' in love witchu
You got me dizzy dizzy, d-dizzy dizzy
I hope you catch me cause I'm falin' in love with you
Baby I'm trippin' trippin', I'm slippin' slippin'
You got my world spinnin' spinnin', girl I'm falling for
you
I'm feeling dizzy dizzy, d-dizzy dizzy
You better catch me cause I'm fallin in love witchu
