[Verse 1:]

[Que:]

Loving the way you fit in them jeans
You looking at me you ready
I can tell by the way you licking your lips and
Switching your thighs your ready

[Willie:]

Would I be out of line to cut to the chase?
See what's on your mind or should I just wait,
Thinking I should just tell here,
Chances is she probably going to be down for whatever

[Chorus:]

One night stand tonight me and you one night only,
One night only, A one night stand tonight
Me and you one night only, one night only.
You ain't got to tell nobody I ain't to going to
Tell nobody, I'm going to touch your body
One night stand tonight me and you
One one one one one one one one night only

[Verse 2:]

[Brain:]

If you say it's okay I'm willing to play
You already know I'm ready
I'll be home around 10 can you make by then
You better be ready

[Robert:]

Girl Whatever the time
You're going to get it
Cause you've been on my mind
Ever since we meet and I'm so glad you with it,
A lot of other girls been down
But they just won't admit it

[Chorus:]

One night stand tonight me and you one night only,
One night only, A one night stand tonight
Me and you one night only, one night only.
You ain't got to tell nobody I ain't to going to
Tell nobody, I'm going to touch your body

One night stand tonight me and you
One one one one one one one one one night only

[Bridge: mike]

I want a bad girl
A chick that ain't afraid to
Be a freak in the sheets
Bring me down on my knees,
I need a bad girl
I'm looking for a shawty to
Come home with me, yes she willing to please
I said whoooooo, whoooooo
I said Whooooooo, whoooooo

[Chorus:]

One night stand tonight me and you one night only,
One night only, A one night stand tonight
Me and you one night only, one night only.
You ain't got to tell nobody I ain't to going to
Tell nobody, I'm going to touch your body
One night stand tonight me and you
One one one one one one one one one night only
