[Willie:]

How you walked up in the club, dressed lookin like it's
painted on,
I can tell that she ain't got any panties on,
But baby that's the way that I like it, yeah
And I know she's from the hood, the way she drop it so
hard,
Booty bumpin like the sounds in my car,
She should, let me take it up a notch, get her off the
block, take her to my spot and it's on,

[Chorus:]

I'm a, I'm a put it on her [x8]
I hope she ready, cause she about to get it get it,
Because she move her body, so I'm a bout to hit it hit it
I'm a, I'm a put it on her [x4]

[Robert:]

She got me in a daze,
Thinking bout the ways I'm a get her tonight,
I'm a put her on my stage, let her do her thang, let her
play on the mic,

[Que:]

She got that swagger, the way she move it like a pro,
Love the way she drop and get low,
That's why I let her,

[Robert:]

Cause I gotta get her home,
Show her how I do when I put it on

[Chorus: Que & Robert]

I'm a, I'm a put it on her [x8]
I hope she ready, cause she about to get it get it,
Because she move her body, so I'm a bout to hit it hit it
I'm a, I'm a put it on her [x4]

[Bridge: All/Brian]

Baby tell me if your ready to go home with me,
Tonight,

Tonight
