Greasy stare of the salami eyes  
They see through your clothes lady  
Your breasts and beaver

We all live with the Lizard Brain,  
Lizard Brain, Lizard Brain  
We all live with the Lizard Brain,  
Lizard Brain, Lizard Brain

Walk the walk and beware  
Catlike watchfulness  
Get me out of here!  
Get me out of here!  
Fight! Fight! Fight!

We all live with the Lizard Brain,  
Lizard Brain, Lizard Brain  
We all live with the Lizard Brain,  
Lizard Brain, Lizard Brain

We all live with the Lizard Brain,

Lizard Brain, Lizard Brain  
We all live with the Lizard Brain,  
Lizard Brain, Lizard Brain

Hungry  
Scared  
Selfish  
Horny

We all live with the Lizard Brain,  
Lizard Brain, Lizard Brain  
We all live with the Lizard Brain,  
Lizard Brain, Lizard Brain

We all live with the Lizard Brain,  
Lizard Brain, Lizard Brain  
We all live with the Lizard Brain,  
Lizard Brain, Lizard Brain
