some say milk and silver listen to the womb  
when all these vacuumwords spill out of laughtertombs  
some say the badpack's back for more  
when all this cannonink spills out of superwhores  
comin' down on them  
from the lavalounge to the hearsewormsoil  
with five fingers driven through all scissors' smiles

the terror of a 1000 tongues  
this is what comes down the throat

some say this hateparade's a sickophonic thing  
when all these necrosounds spill out of astrostrings  
comin' down on them  
from the lavalounge to the hearsewormsoil  
with five fingers driven through all scissors' smiles

the terror of a 1000 tongues  
this is what comes down the throat
