I am nailed at mouth and throat, this wormtale's never  
been told  
tombtrippin' through the dark, while i tear that  
sulphurharp  
meet me, flamerainseeds, with branded skin, bled  
from light  
this is where all our demons died

this the blackworm's ride, the plagueworm's night, the  
deathworm's fight

get killed or die trying, follow me...  
get killed or die trying

some say it's the neverworld, a deadly word  
they claim it's the word of the wrong, a word that rips  
the fuckin' tongue  
meet me, flamerainseeds, with branded skin, bled  
from light  
this is where all our demons died

this the blackworm's ride, the plagueworm's night, the  
deathworm's fight

get killed or die trying, follow me...  
get killed or die trying

sundrugged worlds throwing poisonbolts  
with blackened blood for a blackened birth  
the planets are out of line, under morticians' light  
the planets lie mummified in time, it's a pussoaked  
madmouthnight

this the blackworm's ride, the plagueworm's night, the  
deathworm's fight

get killed or die trying, follow me...  
get killed or die trying
