So you say your love's about to end  
You say you can't take no more  
She's out the door  
And your looking for a friend  
Who am I to tell you why  
But I'm just curious, were you furious  
Or did you swallow your pride  
And look her in the eye and

Tell her that you love her  
Tell her that you need her  
Tell her that you want her to stay  
Reassure her with a kiss  
She may never know unless you  
Show her what your feeling  
Tell her you're believing  
Even though it's hard to say  
'Cause she needs to know you're thinking of her  
So open up and tell her that you love her

Brother I've been right where you are now  
And my heart was broke  
'Cause I never spoke  
Those healing words out loud

But I've learned my lesson well  
And now every night  
Before I close my eyes  
I look at my woman and  
I ask myself did you

Tell her that you love her  
Tell her that you need her  
Tell her that you want her to stay  
Reassure her with a kiss  
She may never know unless you  
Show her what your feeling  
Tell her you're believing  
Even though it's hard to say  
'Cause she needs to know you're thinking of her  
So open up and tell her that you love her

Tell her that you love her

Tell her that you love her

Tell her that you need her

Tell her that you want her to stay

Reassure her with a kiss

She may never know unless you

Show her what your feeling

Tell her you're believing

Even though it's hard to say

'Cause she needs to know you're thinking of her

So open up and tell her that you love her

Tell her that you love her.
