Yeah, ok  
Neva gave a fuck, probably never will  
Rolling, run to the mother fucking will  
Fall off, yeah, I'll be in this mother fucker still  
Rolling bitch to say the mother fucking drill.  
Keep it baby, if you know that  
Niggers try to steal my sweat made of  
Walk around this bitch, no shirt like...  
... is why I'm moving slowly.  
So sorry for the trouble, baby drop it like a  
And I'mma make you rain, feel like spring in the  
summer  
And now it ain't nothing going in like a...  
Just a second, you hear me buzzing?

Chorus:  
Bitch you know that  
You neva gave fuck,  
Know I neva gave a fuck,  
Probably I'll never will  
You know I  
Neva gave a fuck, neva,  
Neva gave a fuck  
Know I neva gave a fuck,  
Probably I'll never will

Shawty every day trying a couple of  
But I cough your going for the  
She be looking at a nigger, like a mother  
Sign her titties all night, still I won't sign a deal, oh  
Oh yeah, tell me what you know  
I try to keep it real, I bet my show already slow down  
Uh, white girls everywhere I go now  
Put your body over here, but we could take it to the  
house

Shawty ring my bell, paying at my  
Now you seen me here  
Put my middle finger up in air

Chorus:  
Bitch you know that

You neva gave fuck,  
Know I neva gave a fuck,  
Probably I'll never will  
You know I  
Neva gave a fuck, neva,  
Neva gave a fuck  
Know I neva gave a fuck,  
Probably I'll never will

Bitch I gotta pump it, pump it, pump it  
Bitch I gotta pump it, pump it, pump it

Ok in my city, la is the home  
Niggers ran to my city, when they see me it was on  
Hold up!  
Just touch down, know you hear me on the radio  
First time here, but your girl we already know  
I had these bitches at my table back in lunch  
Now I got a couple bottles, same bitches back in front  
Somebody bring the bar tender once  
I'mma need a little

Chorus:  
Bitch you know that  
You neva gave fuck,  
Know I neva gave a fuck,  
Probably I'll never will  
You know I  
Neva gave a fuck, neva,  
Neva gave a fuck  
Know I neva gave a fuck,  
Probably I'll never will
