"Meet The Devil"

I've never felt so damn sick in my entire life
I'd like to cut it out but I have lost my pocket knife
I'm going to hell tonight
I'm going to hell tonight
I'm going to hell tonight and meet the devil for a fight

The world is spinning, what the the hell, this ain't the
time for me
I still have a thousand things to do and shit to see
I'm going to hell tonight
I'm going to hell tonight
I'm going to hell tonight and meet the devil for a fight
(meet the devil for a fight)
(meet the devil)

Though I ain't the best boy from the class I've made it
far
But tell me why do the weak deserve to stay alive?
I'm going to hell tonight
I'm going to hell tonight
I'm going to hell tonight and meet the devil for a fight

Oh when you gotta go, ya gotta go and take the ride
But if I'm gonna go I'm gonna take my pocket knife
I'm going to hell tonight
I'm going to hell tonight
I'm going to hell tonight and take the devil for a ride
(take the devil for a ride X4)
