Once again, too late I am
She went to see, the warmth again
She loves this guy, the fueler's son
Over me, this perfection

Just take my,
Take my mind
Take my,
Take my mind
She is my blind baby, and loving sun
Everything we need is perfection
Perfection, perfection, perf..

[Chorus]
Do you know how long this fight will take?
What to have to all the lonely days?
Do you know how long this fight will take?
I need a soul but she don't know my name

God-damn, the beast is loose
He took my baby to escape the seduce
She's my lover, she don't know it yet
This ain't the time to play hard to get

Just hunt him,
Hunt him down
Take that,
And take that crown
She is my blind baby, and loving sun
Everything we'll need is perfection
Perfection, perfection, perf..

[Chorus]

She takes my, takes my mind
Takes my, she takes my mind
She is my blind baby, and loving sun
Everything we need is perfection
Just hunt him,
Hunt him down
Take that,

And take that crown
She is my blind baby, and loving sun
Everything we'll need is perfection
Perfection, perfection, perf...

[Chorus]
