I have been sleeping with the horse's head
It has been urging me to stay in bed
"Lie down with dogs now, you'll wake up with fleas"
It's either crowing or being part of the disease
Rooster-Man
Wake 'em all up
Rooster-Man
Rooster-Man
Give it all up
Rooster-Man

I've been counting every single threat
Know I will shoot them through their treasure chest
This dusty conscience, pushing me to crow
This rusty whistle, telling me to blow
Rooster-Man
Wake 'em all up
Rooster-Man
Rooster-Man
Give it all up
Rooster-Man
