You know, I'll tell you why,
All of our hearts, will have to break
One day, when the sky,
Will open up, open up wide

We're gonna die (X2)

[Chorus]
One day, we're gonna meet
All of our friends
In white again
One day, we're gonna be
Under the snow
And knowing why;

We have to die (X4)

Don't you, hang on to me
Just get a new one
And be free

Baby, listen well
And sell your heart
To someone else (X2)

We're gonna die (X2)

[Chorus]

We have to die (X4)
