We need a man who can bend all the sinners  
Someone who says what we'll think and he'll give us

We need a man who is ruthless and fears everything  
Someone who plays on our minds and will kill our ways

We need a brother who is big and starts a fight in  
school yards  
With one big punch he will shut the mouths of who have  
different hearts

[Chorus]  
Another  
(Ten kills)  
You'll be the leader leader leader  
(Ten kills)  
You'll be the leader leader leader  
(Ten kills)  
You'll be the leader leader leader  
(Ten kills)  
You'll be the leader!

We choose the man who is honest and simple  
The one who hides behind the law  
Who'se afraid of the "freaky temples"  
He is the one who will never withdraw

D-d-d-d-d-democracy yeah! (X4)

[Chorus]

Open your mouth / You'll be the leader leader leader  
Speak out, speak out loud / You'll be the leader leader  
leader  
Open your mouth / You'll be the leader leader leader  
Use that killin' sound / You'll be the leader!  
Open your mouth / You'll be the leader leader leader  
Use that killin' sound / You'll be the leader leader  
leader  
Open your mouth / You'll be the leader leader leader  
You'll be the leader!

Yeah!  
Speak out loud, baby  
Say it out loud!
