How I love you, only you, Tears me apart me apart, That we're just never, ever that together, So what- only you.

When I'm at home, I'm at home, Which isn't much, anymore, My Heart is heavy, with all the stuff you tell me, So what- only you.

I'm-

I'm on time, for nothing in particular, I'm alright, but only if you fix me first, You're so kind, hurt me when I want I swear, On my life, you could visit if i was somewhere, But only you.

My pretty cogs, turn around, My worried thoughts, churn and my, My Mother tells me, I'll waste away my life, Tryna get- over you.

I'm-

I'm on time, for nothing in particular, I'm alright, but only if you fix me first, You're so kind, hurt me when I want I swear, On my life, you could visit if i was somewhere, But only you.

You, you, you, you, you, you, you, you,...
I have only eyes for you,
I have only eyes for you!
I have only eyes for you!

I'm-

I'm on time, for nothing in particular, I'm alright, but only if you fix me first, You're so kind, hurt me when I want I swear, On my life, you could visit if i was somewhere, But only you. Visit <u>Dinosaur Pile-Up</u> page on MotoLyrics.com, to get more lyrics and videos.
