Out the blue you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to me.

Every day I thank the lord and lady
For the way that you came to me
Anyway it had to be two hearts --
One destiny.

Out the blue you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to me.

All my life has been a long slow knife
I was born just to get to you
Anyway I've survived long enough --
To make you my wife.

Out the blue you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to me.

Like a U.F.O. you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to me.
