Right or Wrong (Stealers Wheel) version

I woke up, remembered everything I said to you last  
night  
But this time I sure won't worry about what I might have  
done  
'Cause I was out to please myself,  
Right or wrong.

You came in, looking like a long lost sheep,  
Said I've been using you  
You got what you wanted, and that's alright  
But you were out to please yourself  
Right or wrong  
Ummmmm yeah you were out to please yourself  
Right or wrong.

Don't hang your head down, there ain't no shame  
In what we've both been through  
Although I'd like to help you out  
You know I've got to save myself  
Right or wrong  
Ummmmm you know I've got to save myself  
Right or wrong.

When you go back, you know you're gonna have to look  
your best  
You're gonna have to turn on the magic  
Make believe it's real  
You're gonna have to save yourself  
Right or wrong  
Ummmmm yeah we were out to please ourselves  
Right or wrong  
Yeah we were out to please ourselves.

(fade)  
Yeah please yourself please yourself  
Right or wrong yeah please yourself

Over My Head version

I woke up, remembered everything I said to you last  
night  
But this time I sure won't worry about what I might have  
done  
'Cause I was out to please myself,  
Right or wrong.

You came in, looking like a long lost sheep,  
Said I've been using you  
You got what you wanted, and that's alright  
But you were out to please yourself  
Right or wrong  
Ummmmm yeah you were out to please yourself  
Right or wrong.

Don't hang your head down, there ain't no shame  
In what we've both been through  
Although I'd like to help you out  
You know I've got to save myself  
Right or wrong  
Ummmmm you know I've got to save myself  
Right or wrong.

Shake me when you're leavin' in the morning  
Pack up your bags while I open my eyes  
I know you're gonna wake me in the morning  
Say bye bye and I'll be loving you.

When you go back, you know you're gonna have to look  
your best  
You're gonna have to turn on the magic  
Make believe it's real  
You're gonna have to save yourself  
Right or wrong  
Ummmmm yeah we were out to please ourselves  
Right or wrong  
Yeah we were out to please ourselves.

(fade)  
Yeah please yourself please yourself  
Right or wrong yeah please yourself
