Well I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down the stairs
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you.

Yes I'm stuck in the middle with you
And I'm wondering what it is I should do
It's so hard to keep the smile from my face
Losing control, yeah I'm all over the place
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you.

Well you started out with nothing
And you're proud that you're a self-made man
And your friends they all come crawlin'
Slap you on the back and say 'Please, please.'

Trying to make some sense of it all
But I can see that it makes no sense at all
Is it cool to go to sleep on the floor
Well I don't think I can take anymore
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you.

Well you started out with nothing
And you're proud that you're a self-made man
And your friends they all come crawlin'
Slap you on the back and say 'Please, please.'

Yeah I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down the stairs
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you.

(Yes I'm) stuck in the middle with you
Stuck in the middle with you
(Here I am) stuck in the middle with you.
